

## COVID-19 Emergency

# “Green Pass” verification to access into the company

(article 3 Decree Law 127/2021)

Every direct employee or an external company one who wants to access to company work environment must show the QR code to the clerks (included on “Green Pass”) on paper or digital format, keeping available an identity document for the recognition.

**From 15<sup>th</sup> February 2022 all people over 50 years old must possess and exhibit Super Green Pass.**

Remind that the current legal requirements provide the obligation of “Green Pass” verification from the company but at the same time the access prohibition to who hasn’t the certification, with a fine from €600 to €1500 in charged to the offenders.

The complete informative sheet about personal data’s treatment is viewable in the reception or on the company board.
